## NEW DEPOT FOR FARMVILLE.

Stone Brick to Be Manufactured by Mr. E. G. Buck-Farmville Guards.

Buck—Farmville Guards.

(Special Dispatch to The Times.)

FARMVILLE. VA.. March 29.—Superntendent Theodore Low, of the Norfolk and Western Railroad, accompanied by frainmaster Henrietta, paid Farmville a sist Wednesday and brought the grativing intelligence that the intention of he company is to erect at an early day tomodoious, modern, well-equipped passenger station here.

The company believes that there is not one location for the proposed station adequate to the requirements of the suilding and it rests with the taxpayers of the town to consent to the movement of the street leading to the new station.

if the street leading to the new station, insure the building being commenced

The site upon which the new station is to be creeted, if at all, is known as the lavis lot, located opposite Scott's crossing and four squares from the corner of third and Main Streets. The site is a rost admirable place for a passenger statem.

Mr. E. G. Buck, has returned from a trief business trp across the seas. While beent he visited quite a number of sand actories where stone brick are made ind comes back enthused on the subject.

Items in North Constant in the seas. While in the visited quite a number of sand actories where stone brick are made ind comes back enthused on the sunject. Ite brought with him fine spectmens // the work. Items with a sunjecting the proper of the stand is destined to come largely icross the Atlantic.

The stone is made by mixing lime with and subjecting the mixture to pressure and then heating it in steam for some lours in closed cylinderes may be supported in the stand power of the stand power of resistence. There are many damanages of the stone both in its manufacture and uses for building purposes over the old-fashioned and it can be supposed to give an analysis of the stone brick.

to Raise Tomatoes.

(Special Dispatch to The Times.)
STAUNTON, VA., March 29.—The maddog and mad-cow scare is still at high pitch. Two cows belonging to W. H. Marpole, which were bitten by a madog some time ago, were killed Wedne The cows were down and badly affected. Mr. Marpole on Tuesday gave one of his cows, which was bitten at the same time as the others, to Samuel Tanks ley of the county, who took the cow to his home. Mr. Tanksley says this cow shows no signs of being mad. These cows were bitten twenty-eight days ago and Mr. Marpole used the milk from the cows until Sunday last.

which was killde Thursday

CANNING FACTORY.

Some Philadelphia gentlemen who are necessed in the cannery in Staunton, were In town a few days ago, and seem to be well pleased with what they saw and heard. It is now up to the farmers to go to work and supply the material to be used in canning fruits and vegetables. Mr. John Siefeer, of Fincastle, who conducted the cannerp with much suc-cess here last season, will remain in the city to look after the interest of his Philadelphia friends.
